Dear Ari,

Here we provide the final version of camera ready paper after addressing all your comments. We also put the blue highlight in some parts as improvement to our paper. The MS Word file is attached.

Thank you so much for your help. And Let us know if anything needs to be corrected. We are waiting for the publication of this paper soon 😊🙏

Note: We have made the payment few weeks ago and had sent the proof to Dr. Tole Sutikno.

-- Title: Metamaterial and metasurface based emitters for solar thermal photovoltaic applications: analytical review

Dear Prof./Dr./Mr./Mrs.

I am Ari writing on behalf of the layout and editing team, under the auspices of the Bulletin of Electrical Engineering and Informatics team. We are glad to inform you that your paper is in the layout stage for possible publication in the forthcoming issue of this journal.

For all issues 2022, we have a new policy for the **biographies of authors**, where all papers **must have biographies of authors**, and complete it with id orcid, scholar, Scopus (if any), and web of science.

Your cooperation for final checking and/or updating your paper is required. Find the attached file of your original paper with comments and/or marked parts. Revise your paper according to the comments on your original paper. Kindly submit your revised paper within **3 days**.

Note: **use attached file** below for the revision and reply to all comments present in your paper, this action **will help** our editor team to do **final checking of your paper**. **Revision paper without execution of the rules above will not be processed (make sure to reply to all so our editor will know if you send revision)**

To be noted, this email is **only assigned for layout and editing purposes**. For other communication purposes, reach us through the principal contact of the journal. If you want **payment, etc.**, please **just contact our editor** Tole Sutikno at: beei@iaescore.com, please note that the **issue in the header does not guarantee in specific issue** the paper will be published in that issue, the paper can be published **according to header or the next issue. It depends on the editor's decision**

Your cooperation is highly appreciated.

Best regards,
Ari
Layout and Editing Team
