ISSN: 20436238, 20436246

Coverage: 2011-2020

Scope: Journal of Family Business Management (JFBM) is a refereed journal publishing since 2011. JFBM provides broad and unrivalled coverage of all aspects of family business. JFBM offers a unique focus on behavioural and applied research, particularly considering the impact of research on policy and practice; it aims to communicate the latest family business research and knowledge worldwide for the benefit of scholars and family business practitioners. Other articles unique to JFBM are our 'In conversation with' series which provides insights from practicing family business advisors about how they are using theory in their practice now. JFBM aims to stimulate dialogue between scholars and practitioners in a timely manner. The family business arena is dynamic. Family business owners, managers, and practitioners need to be aware of changing management concepts, theories, processes and strategies which allow them to respond to global competition in increasingly volatile markets.
