Dear Author(s),

We have received the review reports for your paper "Informal Street Vendors' Behavior at Car-Free Day in Indonesia".

We require now that you implement in your submission the following recommendations made by the reviewers:

Reviewer A Comments:

=====

Changes which must be made before publication:

The author has done a great work, but should tell us more about the context.

Please read the chapter on Indonesia from:

•"Asian Models of Entrepreneurship - From the Indian Union and the Kingdom of Nepal to the Japanese Archipelago: Context, Policy and Practice", 2nd Edition (chapter 6), NY: World Scientific Publishing Company.

Also, these recently published works talk about Indonesia:

•"Entrepreneurial intentions from an Islamic perspective: a study of Muslim entrepreneurs in Indonesia", International Journal of Entrepreneurship and Small Business 31 (2), 165-179

•"Socio-cultural environments and emerging economy entrepreneurship: women entrepreneurs in Indonesia", Journal of Entrepreneurship in Emerging Economies 9 (1), 85 – 96

I assume that this recently published book on informal entrepreneurship can help the author to make it better:

"Informal Ethnic Entrepreneurship: Future Research Paradigms for Creating Innovative Business Activity", edited by Ramadani et al., published by Springer.

You need a good methodology section, and this must be grounded in the literature.

Read, discuss, cite articles such as:

•"Expanding the Scope of Methodologies Used in Entrepreneurship Research," International Journal of Entrepreneurship and Small Business 2 (1), 2005, pp. 79-88.

•"Qualitative research revisited: epistemology of a comprehensive approach" International Journal of Entrepreneurship and Small Business (2015).

Please add separate sections about

-Implications for research, practice and/or society.

-limitations of the study

-future research directions

Citing articles from IJPSPM is much appreciated as a respect to its editorial board, authors, and readers. There are published high-quality articles on this topic.

Use only UK spelling, please!

Good Luck!

Reviewer B Comments:

=====

Changes which must be made before publication:

Please enhance the literature review and tell us more about the Indonesian context and explain more the methodology.

Cite papers from IJPSPM, please!

Best!

Dear Author/s,
Ref: Informal Street Vendors' Behavior at Car-Free Day in Indonesia

Thank you for uploading the final version of the paper and the author agreement. However, the agreement does not show the names of all the authors. Please note that copyright forms must have every author's name listed above the title of the paper even if there is only one signature on a copyright form and the other authors have sent separate ones. All authors' names must appear on every form with separate signatures and likewise if all signatures are on one form then all authors' names must also be there.

Thus, the upper part of the form should read as:

Dini Turipanam Alamanda, Abdullah Ramdhani, Grisna Anggadwita , Anggraeni Permatasari and Nisa Sa'adah
Informal Street Vendors' Behavior at Car-Free Day in Indonesia
International Journal of Public Sector Performance Management

Kindly re-upload/send the corrected copyright form. Please use the attached blank form.
