ABOUT THE AUTHOR	79

This book questions the effect of audit opinions on local government financial statements, the weakness level of the local government internal control system, the non-compliance level with the provisions of local government laws and regulations, and the seriousness of law enforcement officers in the region in eradicating corruption on the corruption level in local governments.

The book also examines the effect of the respective interactions between audit opinions on local government financial statements, the level of the weakness of the local government internal control system, and the level of non-compliance with the provisions of local government laws and regulations with the seriousness of law enforcement officials in the region in eradicating corruption on the level of local government corruption.
