ABSTRACT

This research aims to analyze the Employee Performance in The Criminal and Drug Enforcement Investigation Unit of Indonesian National Police in Nias Resort. This research used all of the population members as the research sample so it can be also said to be population research. This research used questionnaires as the research tools to gather the data. The result of this research showed that educational background has a positive and significant influence on employee performance, the workload does not affect employee performance, and work facilities have a positive and significant influence on employee performance. Then, from the F-Test known that the independent variables that are educational background, workload, and work facilities simultaneously influence employee performance.

Keyword: Employee Performance, Educational Background, Workload, Work Facilities

ACKNOWLEDGEMENT

To begin with, the author express the gratitude and praise only to the Lord Jesus Christ for his blessings, love, and grace that finally the author can finish writing this thesis titled “**The Analysis of Employee Performance in The Criminal and Drug Enforcement Investigation Unit of Indonesian National Police in Nias Resort**”. This thesis is a requirement for completing the Bachelor (S1) program in the Undergraduate Program in the Faculty of Business, Management Department, President University.

During the process of preparing and writing this thesis, the writer realized that without the prayers, support, guidance, and assistance from various parties, the writing of this thesis would not have been possible. Therefore, on this occasion, the author would like to express appreciation and thanks to:

1. The Holy Spirit, the main source of inspiration, knowledge, strength, and joy during the writing of this thesis, to Him, Jesus and the God the Father in Heaven, the Glory forever to Him.
2. My Parents, My Father and Mother who always pray for, encourage, support, and always check on me, and the people who are always there for me in my university life, the people that helped me very much and solved my problems during my thesis writing, My brother Hans and also all of my cousins that helped me until now.
3. The honorable, Sir Liswandi, S. Pd., M.M., Ph. D as the author’s thesis advisor who has provided guidance, direction, advice, and time to the author.
4. The honorable, Dr.,Dra. Genoveva Claudia, MM as Head of the Management Study Program, Faculty of Business, President University, and all the lecturers at the Business Faculty of President University.
5. For my beloved seniors and best friend Lili, Naomi, Rivan, Rosalinda, Raja, Erin, Bella, Putri, Donna, Aldy, Heppy, Bona, Ralphy, Keren, Junita, Madeline, Metyu, Sarah, Jessica, Agnes, Alin and many more names that I cannot mention here who are always there to support and accompany me, and also always there to be good and supportive brothers and sisters.
6. Thank you to the RESC (Reformed Evangelical Student Center) fellowship which has always been there for me, where I have learned and grown a lot, and where I have

always been supported, prayed for, and heard during difficult times.

7. Thank you to Pak Tama, Ko Jeco, Ko Peter, Pak Alfret, Pak Hendra, and many seniors in the GRII that give support, pray, advice, and encouragement during my thesis writing.
8. Thank you to Dila for giving supporting words and motivation last year when writing this thesis.
9. Thank you to Dana, Bene, Renn, Vins and all my friends in AKAGI that support me when writing this thesis.
10. Thank you to Janji Jiwa Cafe in Ciwalk which allows me to write my thesis from morning to night almost every day.
