## **Abstract**

In the recent development of Qiuso Company, there has been a downward trend in employee performance. The development system for small and medium-sized companies like Qiuso is imperfect. Therefore, research was conducted around the employees and the Qiuso company. This study is to find out what factors can influence the performance of employees this company. This study adopts quantitative research methods and takes 195 employees of Qiuso Company as the research targets, and uses a questionnaire survey using Likert scale technology to obtain data. The researcher collected a total of 153 respondents using random sampling technique and analyzed the influence of independent variables (corporate culture, organizational justice and knowledge sharing) on employee performance using multiple regression, t-test and f-test analytical techniques and processed using SPSS. Based on survey data of company employees, researcher found that corporate culture, organizational justice, and knowledge sharing have an influence on employee performance. And these factors can also influence employee performance simultaneously.

## **ACKNOWLEDGEMENT**

Now that my thesis is complete, I want to thank a lot of people and things. Without them, I could not have grown as much as I have today. First of all, I would like to thank my thesis advisor, Grace Amin, who taught me how to write properly throughout the whole thesis process, from choosing a topic to combing through the literature, as well as the use of sample design to analyzing and summarizing, and I learned a lot of useful things in the process. Therefore, I would like to express my sincerest gratitude to all my teachers!

I would also like to thank the scholars whose literature I have cited in this paper, and with the inspiration and help of these scholars' research results, I have accomplished the final writing of this paper. Finally, I would also like to thank my friends and classmates who provided me with a lot of useful materials and enthusiastic help in the process of writing my thesis!
