ABSTRACT

The problem of waste is still one of the challenges that must be solved in the city of Malang. One of the largest contributors to waste in the city of Malang is MSME actors, especially coffee shops, The Cananga Movement Project is a project that focuses on plastic waste in the city of Malang. Through this project, Cananga Movement Project aims to educate, empower and also raise awareness of MSME actors in the city of Malang, the reason we carry out our activities in the city of Malang is because we see the increase in coffee shops in the city of Malang.

The Cananga Movement Project takes SDGs number 12 "Responsible Consumption and Production" and number 13 "Climate Action" as a theory for this project. Our project aims to educate, empower and raise awareness of the use of plastic to MSMEs, especially coffee shops in the city of Malang. Our project is not only empowering and educating but also providing a solution to replace the use of plastic in their production and daily consumption at the coffee shop.

Keywords: Movement, raise awareness, education, plastic waste, MSMEs, single-use plastic

ACKNOWLEDGEMENT PAGE

First and foremost, praises and thanks to the God, the Almighty, for His showers of blessings throughout my research work to complete the research successfully.

I would like to express my deep and sincere gratitude to my research supervisor Natasya Kusumawardani, S.IP., MProfStuds (Hons) for giving me the opportunity to do my research and providing invaluable guidance throughout this research. Her sincerity and motivation have deeply inspired me to do my research. She taught me the methodology to carry out the research and to present the research as clearly as possible and it was a great privilege and honor to work under her guidance.

This project could not have been accomplished without the support and the hard work of my team mate, that helped me out to put these ideas, and helped me in doing a lot of research and I came to know about so many new things. I am thankful to them.

Finally, I would like to thank my parents for giving me the chance to enroll in this class. I would like to thank them for the financial and supportive help in terms of my education. Nobody has been more important to me in the pursuit of this project than the members of my family. I would like to say thank you for the love and guidance that are always with me in whatever I pursue. They are the ultimate role models and unending inspiration.
