## ***Abstract***

*Recent advancements in artificial intelligence (AI) point to the unpredictable and possibly transformative impact that this technological innovation has on military might, strategic rivalry, and global politics in general. A new wave of industrial revolution is being fueled mostly by artificial intelligence in many parts of the world. The AI revolution is being used by several nations, particularly China. With the release of the "Next Intelligence Development Plan" by the State Council of China. Artificial Intelligence (AI) is one of the key technologies of future warfare. In this paper, this paper will try to analyze the strategy and implementation of policies from China regarding artificial intelligence and its use, where with a sense of competition China continues to develop artificial intelligence technology that can support and help the progress of*

*their own country, the purpose of this paper is to elaborate on developments and also application of artificial intelligence in military and security uses directly or via cyber, by mapping the major national-level policy initiatives that express the intention to utilise AI. This paper will also elaborate China's Implementation (Action, Strategy) in using AI for warfare.*

**Keywords :** Artificial Intelligence, National Security, China, Cyber Security

## **ACKNOWLEDGEMENT**

First and foremost, I would like to praise and thank God, His blessings and graces always become my motivation to strive forward every time particularly in my weakest moment.

Second, I would like to thank my parents, my sister, my grandparents, and all of my relatives who always believed in me and support whatever path I have choose that have led me to this point of my life, and I believe it was thanks to my parents and relative's prayers that I can successfully reach this part of my life.

Third, I would like to express my gratitude towards Mr. Fahlesa Munabari, Ph.D, as my Final Project By-Course Advisor who guided me throughout the process of completing my final paper project. I would also like to thank Mr. Anggara Raharyo S.I.P., M.P.S, as an examiner in my defense, MR. Dr. R.A. Munawar Fuad, S.Ag, M.Ag, as my internship mentor, and Ms Witri Elvianti S.IP., MA, as my academic advisor, and all of the lecturers and staffs in the International Relations study program and President University for all the help that I have received throughout my time in the university.

Lastly, I would like to express my gratitude towards the wonderful individuals namely Zefany, CCM mates, Kawanua mates, Parsek+1 mates, and the Benzar Youth Cikarang, that have supported me in the process of completing this paper, the support from all of this wonderful individuals have helped me and kept me motivated in completing my final steps in the university journey, I would always be grateful for them.
