The safety and well-being of our members and authors is of great importance to IEEE. Many universities are operating with limited staff and new procedures due to the COVID-19 pandemic, IEEE knows there may be delays in APC payments. Unless prompted to seek funding approval, you can pay APCs by credit card or pay by 'invoice' to signal payment is intended as staff/funding is made available.

Dear Mr. Abinash Panda,

RightsLink, who is working on behalf of IEEE, has attempted to contact you regarding the publication charges which can include Voluntary Page Charges, Overlength Page Charges, Color Figure Charges or Open Access Charges for your manuscript in *IEEE Sensors Journal*. These charges remain unpaid and we would like assistance in finalizing the payment and completing the publishing process. Please verify the charges by clicking the link below and follow the steps to make a payment or generate an invoice.
