Dear participants of ICFBE 2020,

Through this email, we would like to update you regarding the follow up to your paper submissions.

As per our earlier email, your papers have been selected and assigned to various publications, including our partner journals and official proceeding.

First, we have already published the official proceeding of ICFBE 2020. If your paper was chosen to be part of the proceeding, we are pleased to inform you that the proceeding has been published online (E-ISBN no. 978-623-6655-29-0) on our open journal system (OJS). The proceeding can be accessed through the following link: <http://e-journal.president.ac.id/presunivojs/index.php/ICFBE>. Each paper has their own dedicated page and download link which are publicly available. We have also attached the final draft of the proceeding below for your perusal. If you have any revisions to the proceeding, please let us know by replying to this email by Monday, 25 January 2021 at the latest.

Second, if your submissions have been shortlisted for publication in our partner journals, your papers are currently being reviewed and considered for publication. The editor(s) from the respective journals will get in touch with you regarding the next steps forward. In the worst case scenario that your paper fails to be published in our partner journals, you may still opt to have your manuscript to be published on our online proceedings. Please let us know if that is the case.

If you have further questions, please do not hesitate to contact us through this email. Thank you.

Best regards,
ICFBE 2020 Committee
