The screenshot displays the GPTZero website interface. The top navigation bar includes the GPTZero logo, links for SOLUTIONS, RESOURCES, PRICING, NEWS, and TEAM, along with buttons for LOG IN, SALES, and GET STARTED. The main content area is split into two panels. The left panel shows a document titled 'Capstone Design Implementation' with a 'Deep scan' button. The document text includes: 'Title: Employee Productivity and Performance', 'UNDERGRADUATE THESIS', 'Submitted as one of the requirements to obtain Sarjana Komputer', 'By: UJANG NURZAMAN', '012202205053', 'FACULTY OF COMPUTING', and 'INFORMATION SYSTEM STUDY PROGRAM'. The right panel displays the 'View full report' link and a 'RESULT' section. The 'Classification' section states: 'We are highly confident this text is entirely human'. A large green circle with the word 'human' inside is shown. Below this, it indicates '1% Probability AI generated' and 'highly confident'. The 'Probability Breakdown' section explains: 'The probability this text has been entirely written by a human, AI or a mix of the two.' At the bottom, a footer states: 'By using GPTZero you consent to our [cookie policy](#)' and a yellow 'I understand' button is present.

ABSTRACT

Human resources (HR) are productive individuals who work as drivers of an organization, both within institutions and companies who function as assets and must be trained and developed. In line with the previous Human Resources are productive individuals who work as drivers of an organization, both in institutes and companies who have a function as assets so they must be trained and developed their abilities

The development of technology, especially information technology, allows people to gather non-physically through virtual meeting forums. The use of technological developments creates social conditions in society so that they are able to adapt and compete with developed countries in the world.

The main goal is to make employees work more optimally, efficiently and there is capacity building training for employees by replacing the old working system with the new one that is already digitized and adapted to remote working, enabling employees to work seamlessly.

Key Word : Human Resources
