Thesis Title: “Bilateral diplomatic relations between Australia and Indonesia in Maluku on the SKALA program”

This study aims to determine the bilateral relations between the Australia and Indonesia governments in Maluku in the SKALA program, Through the Synergy and Collaboration Program for Basic Service Acceleration (SKALA) is a collaborative partnership between the Australia and Indonesia Governments, this is a form of Bilateral Diplomacy between two countries, namely Australia and Indonesia which creates leverage through the creation of innovation to accelerate poverty reduction and inequality by increasing the availability of basic services for the poor and vulnerable in disadvantaged areas prioritizing disadvantaged areas based on Poverty Level (PO), Human Development Index (HDI), Minimum Service Standard Coverage (SPM), Gender Empowerment Index (IPG), Disaster Risk Index (IRBI) and Fiscal Capacity Index (IKF) then this is interesting to analyze regarding the bilateral diplomatic relations between Australia and Indonesia in Maluku in the SKALA program. The implementation of the SKALA Program in Maluku since September 2023 is considered an important milestone in achieving these goals. The Maluku Provincial Government aims to accelerate the provision of comprehensive basic services, especially for the poor and vulnerable, by increasing and concentrating on synergy and teamwork. The methodology used in this study is a qualitative method with data collection using interview methods and field observations, with a focus on Bilateral Diplomacy Relations between Australia and Indonesia in Maluku on the program SKALA. The implementation of the program SKALA in the Maluku provincial government has a huge impact on regional development planning in districts and cities in Maluku province. Where the Synergy and Collaboration program for Basic Service Acceleration helps the Maluku government in improving basic services and reducing poverty levels.

Thesis Title: “Bilateral diplomatic relations between Australia and Indonesia in Maluku on the SKALA program”

Penelitian ini bertujuan untuk mengetahui hubungan bilateral antara pemerintah Australia dan Indonesia di Maluku pada program SKALA, Melalui Program Sinergi dan Kolaborasi Untuk Akselerasi Layanan Dasar (SKALA) merupakan kolaborasi kemitraan antara Pemerintahan Australia dan Indonesia, ini merupakan bentuk dari Diplomasi Bilateral antar dua negara yakni Australia dan Indonesia yang menciptakan daya ungkit melalui penciptaan inovasi untuk mempercepat pengurangan kemiskinan dan ketimpangan melalui peningkatan ketersediaan layanan dasar bagi masyarakat miskin dan rentan di daerah tertinggal memprioritaskan daerah tertinggal berdasarkan Tingkat Kemiskinan (PO), Indeks Pembangunan Manusia (IPM), Cakupan Standar Pelayanan Minimal (SPM), Indeks Pemberdayaan Gender (IPG), Indeks Resiko Bencana (IRBI) dan Indeks Kapasitas Fiskal (IKF) kemudian hal ini menarik untuk dianalisis mengenai hubungan diplomasi bilateral antara Australia dan Indonesia di Maluku pada program SKALA. Penerapan Program SKALA di Maluku sejak September 2023 dinilai sebagai tonggak penting dalam mencapai tujuan tersebut. Pemerintah Provinsi Maluku bertujuan untuk mempercepat penyediaan layanan dasar yang komprehensif, khususnya bagi masyarakat miskin dan rentan, dengan meningkatkan dan berkonsentrasi pada sinergi dan kerja sama tim. Metodologi yang digunakan dalam penelitian ini adalah metode kualitatif dengan pengumpulan data menggunakan metode wawancara dan observasi lapangan, dengan fokus pada Bilateral diplomasi relations between Australia and Indonesia in Maluku on the skala program. Penerapan program skala dalam pemerintahan provinsi Maluku memiliki impact yang begitu besar dalam perencanaan pembangunan daerah di kabupaten dan kota yang ada di provinsi Maluku. Dimana dengan adanya program Sinergi dan kolaborasi untuk Akselerasi Layanan dasar membantu pemerintah Maluku dalam peningkatan layanan dasar serta mengurangi tingkat kemiskinan.
