Title : *Juridical Analysis of PT Pertamina's (Persero) Policy in Managing Oil and Gas energy Contracts*

ABSTRACT

State-owned oil and gas energy company PT Pertamina (Persero) has a hospitality subsidiary known as PT Patra Jasa. However, the existence of PT Patra Jasa under PT Pertamina raises questions about the consistency of the content of the articles of association of the ownership of the hospitality business with the core focus of the business and the restructuring concept advocated by the Ministry of State-Owned Enterprises (BUMN). The purpose of this thesis is to propose the transfer of PT Patra Jasa to PT HIN, a subsidiary of PT Aviata (Persero) which is engaged in the tourism sector. This move aims to optimise PT Pertamina's focus on its core business, in line with the company's vision and mission, as well as supporting the country's economy. This move will allow PT Pertamina to be more consistent with its core business while complying with the efficiency principles enforced by the Ministry of SOEs. Through in-depth analysis, it is concluded that the transfer of PT Patra Jasa to PT HIN will provide significant long-term benefits, including improved focus, efficiency, and contribution to national economic growth. This research focuses on a normative juridical research approach in its completion process.

ABSTRAK

Perusahaan energi minyak dan gas negara, PT Pertamina (Persero), memiliki anak perusahaan di bidang perhotelan yang dikenal sebagai PT Patra Jasa. Namun, keberadaan PT Patra Jasa di bawah naungan PT Pertamina menimbulkan pertanyaan tentang konsistensi isi anggaran dasar kepemilikan bidang usaha perhotelan dengan fokus inti bisnis dan konsep restrukturisasi yang dianjurkan oleh Kementerian Badan Usaha Milik Negara (BUMN). Tujuan dari skripsi ini adalah untuk mengusulkan pemindahan PT Patra Jasa ke PT HIN, anak perusahaan PT Aviata (Persero) yang bergerak di sektor pariwisata. Langkah ini bertujuan untuk mengoptimalkan fokus PT Pertamina pada bisnis inti, sesuai dengan visi dan misi perusahaan, serta mendukung perekonomian negara. Pemindahan ini akan memungkinkan PT Pertamina untuk lebih konsisten dengan core bisnisnya sambil mematuhi prinsip efisiensi yang ditegakkan oleh Kementerian BUMN. Melalui analisis mendalam, disimpulkan bahwa pemindahan PT Patra Jasa ke PT HIN akan memberikan manfaat jangka panjang yang signifikan, termasuk peningkatan fokus, efisiensi, dan kontribusi terhadap pertumbuhan ekonomi nasional. Penelitian ini berfokus pada pendekatan penelitian yuridis normatif dalam proses penyelesaiannya.
