Title : The Urgency of Regulations Regarding Planning For Serious Abuse Of Children Is Related To The Child Protection Law (Case Study of Criminal Cases Court Decision Number: 298/Pid.B/2023/PN Jkt. Sel)

Abstract

With the increasing number of crime cases in Indonesia, especially those involving children such as planned crimes of serious abuse, public concern is increasing. Therefore, it is very important to have strong regulations that specifically protect children's rights in these types of cases. Based on the context above, the problem that will be raised in this research is to find out why Article 76 C in conjunction with Article 80 paragraph (2) of Law Number 35 of 2014 concerning Amendments to Law Number 23 of 2002 concerning Child Protection is not applied in cases. The crime of planning serious abuse with child victims in decision number: 298/Pid.B/2023/PN Jkt.Sel. This research uses a normative-juridical research method that relies on library sources and does not involve direct data collection. Cases of planning serious abuse involving child victims received a lot of public attention and reaction as reported by the mass media. However, there has been no specific study that focuses on aspects of the Child Protection Law for child victims planning serious abuse. The result of this research is a revision of Article 76 C in conjunction with Article 80 paragraph (2) of the Child Protection Law to include serious abuse plans to provide more effective protection for children who are victims.

Keywords: Child Protection Law, Aggravated Maltreatment Planning, Child Victim, Article 355 of the Criminal Code, Legal Effectiveness.

Abstrak

Dengan meningkatnya jumlah kasus kejahatan di Indonesia, terutama yang menyangkut anak seperti tindak pidana penganiayaan berat yang direncanakan, kekhawatiran masyarakat semakin bertambah. Oleh karena itu, sangat penting untuk memiliki regulasi yang kuat yang secara khusus melindungi hak-hak anak dalam kasus-kasus semacam ini. Berdasarkan konteks di atas, masalah yang akan diangkat dalam penelitian ini adalah untuk mengetahui mengapa Pasal 76 C jo Pasal 80 ayat (2) Undang-Undang Nomor 35 Tahun 2014 tentang Perubahan atas Undang-Undang Nomor 23 Tahun 2002 tentang Perlindungan Anak Tidak diterapkan dalam Perkara Tindak Pidana Perencanaan Penganiayaan Berat dengan Korban Anak dalam putusan Nomor: 298/Pid.B/2023/PN Jkt. Sel. Penelitian ini menggunakan metode penelitian normative-yuridis yang mengandalkan sumber-sumber kepustakaan dan tidak melibatkan pengumpulan data secara langsung. Kasus perencanaan penganiayaan berat dengan korban anak mendapat banyak perhatian dan reaksi publik seperti diberitakan media massa. Namun, belum ada kajian khusus yang berfokus pada aspek Undang-Undang Perlindungan Anak bagi korban anak dengan perencanaan penganiayaan berat. Hasil dari penelitian ini adalah revisi Pasal 76 C jo Pasal 80 ayat (2) Undang-Undang Perlindungan anak agar memuat mengenai penganiayaan berat berencana untuk memberikan perlindungan yang lebih efektif terhadap anak-anak yang menjadi korban.

Kata kunci: Undang-Undang Perlindungan Anak, Perencanaan Penganiayaan Berat, Korban Anak, Pasal 355 KUHP, Efektivitas Hukum.
